PROFILE

International Management Master's student based in UAE, bringing two years of hands-on HR experience from Dubai. Experienced in turning data, processes, and people insights into structured onboarding and HR support in fast-paced, multicultural environments. CIPD Associate Member with a strong curiosity for global talent management, learning initiatives, and digital platforms, motivated by building systems that help people grow and organizations scale.

WORK EXPERIENCE

Al Madina Group | Dubai, UAE | March 2023 – February 2025

HR Coordinator

Managed employee mobility and immigration processes, including work and business visas, renewals, and cancellations, ensuring compliance with UAE labor and immigration regulations. Served as the key liaison with government authorities, handling official submissions and follow-ups. Maintained accurate employee records across HR systems such as MOHRE and supported employees with residency permits, Emirates IDs, and related documentation. Ensured data accuracy, confidentiality, and smooth HR operations throughout the employee life cycle.
